- ✓ Massive Stocks

Seals • 'O' Ring Kits • Bonded Washers

How To Buy New Seals

- 1** If you know the seal type and dimensions you require, contact or visit our Service Centre to collect your seals, or we can deliver by post or courier.
- 2** If you are unsure of the seals you require, call our Service Centre: have the old seals to hand along with the ram piston and gland and a good tape measure... we can talk you through measuring and identifying the correct seals.
- 3** If you are still unsure of the exact seals you require bring or post your old seals to us. We will identify the seals you need and supply replacement seals from our vast stocks.
